Code of Ethics

Approved & Adopted 1976

1. To abide by the constitution and Bylaws of the Coulee Kennel Club (CKC) and the rules of the American Kennel Club (AKC).
2. I will breed only with the intention of improving my breed(s) according to the approved AKC standards.
3. I will only use a stud dog that meets the AKC requirements. I will not breed a bitch more often than is acceptable in my breed(s) and less if the age or health of the bitch so indicates. I will abide by ethical breeding as set forth for my breed(s).
4. Should any known defect not impair a puppy's life, papers will be withheld until the said puppy is spayed or neutered—proof of which to be certified by a qualified veterinarian. The purchaser shall be required to sign a statement to this condition.
5. I will sell only clean, healthy, properly immunized, and socialized puppies and adult dogs. I will not place any puppies under seven weeks of age or any adult dog unless of age to permit a reasonably safe and healthy adjustment to a new home. At the time of sale, I will provide the purchaser with an up-to-date medical record, an AKC registration form, a three-generation pedigree, and adequate instructions and information for the proper feeding, care, and future medical needs of the puppy/adult dog.
6. I will not knowingly falsify the pedigree, health screening, or breeding information of any puppy/adult dog I sell.
7. I will guarantee any puppy/adult dog sold against hereditary defects with terms clearly defined in writing.
8. I will require owners of any dog that I place to advise me if they are unable to keep their dog—regardless of age or condition of health. I will take the dog back or assist in re-homing the dog(s)
9. I will provide clean, safe, and vermin-free shelters and runs or yards with access to sufficient clean water and adequate food for all dogs in my care or responsibility. I will not knowingly participate in any form of inhumane treatment of any dog(s).
10. I will not engage in: selling to pet shops or wholesale litter lots; allowing stud services to puppy mill operators; donating dogs as prizes for commercial ventures, or any other such activities detrimental to any breed.
11. I will conduct myself in a way that honors my breed, the Coulee Kennel Club, and the American Kennel Club
